

# The Tel- Aviv Massacre

By Sonia Schreiber Weitz (March 6, 1975)

Another night of terror slowly creeps,  
The sun will surely be ashamed to rise...  
No child will smile; no man will dare to sleep;  
Tomorrow we shall weep – my soul cries...  
And yet with bitterness I know deep down  
That soon the shameless sun will surely rise  
To watch us wallow ...in our sorrow drown,  
The world is deaf and blind and full of lies,  
Who cares? It's just another Jew that dies...  
It's just another Jew that dies...
